Please circulate to all members

Dear Polocrosse community,

I would like to thank everyone across Australia for their ongoing support to Victoria in these difficult times with the postponement of the Australian Polocrosse Nationals to be held in Ballarat commencing 30th March.

We as a state are confident with all the information we have received from the Health Department and our Government that our new date of 28th September to 4th October is comfortably outside the six month barrier required to overcome this virus and have no doubt we will be able to run this event with great success at this time.

Whilst we are obliged and will refund any moneys received for this event if requested in writing to polocrossevictoria@gmail.com, we would ask that if you will be still attending in September we hold your booking in a secure account. This would help our State immensely in these trying times.

We will be honouring all bookings already received for the event. If you were one of the lucky ones to secure the early bird pricing I would encourage you to hold onto that because unfortunately we will be unable to offer those prices again for September.

Again, I thank you for your support and we ask if you can support us by way of leaving your booking in place that would be hugely appreciated. Please stay safe and look after your friends and family.

Regards,

Mick Templeton
